

STRAWBERRY FROZEN YOGHURT

Preparation : 1 std 01 min - **Resting :** - - **Cooking :** - - **Equipment :** -

Ingredients : 2

- 250 ml strawberryflavoured drinking yoghurt - 200 g strawberries

1. The day before, pour the drinking yoghurt into an ice cube tray.
2. When you are ready to make the frozen yoghurt, wash and hull the strawberries and place them in the blender jug with the yoghurt cubes.
3. Turn the selector to the "desserts" setting and liquidise for 1 minute or until you achieve a smooth and creamy consistency. Use the spatula if necessary. Serve immediately.
